Littlejohn Barristers Personal Injury Law Firm, recently awarded the Barrie Advance 2021 Reader's Choice Award for Best Personal Injury Law Firm, is looking to hire a lawyer with three to seven years experience in personal injury law. Our firm's practice is restricted to handling only serious personal injury lawsuits, including motor vehicle accidents, occupier's liability, and long-term disability claims.

We offer excellent mentoring opportunities as well as the opportunity to build a practice and sound client base in a growing community. We take great pride in providing a solid work-life balance. Our compensation is competitive and we are prepared to pay a selected candidate an annual salary of \$100,000.00 to \$130,000.00.

The ideal candidate should have a demonstrated passion for advocacy, good client skills, and a desire to work hard to contribute to a growing law firm. The ideal candidate should have experience preparing motion materials, attending at motions, preparing pleadings, and participating in Examinations for Discovery on a regular basis.
